HOME OCCUPATIONS - DBS -SEC. 12.05.A

Home Occupations are subject to all of the following conditions and standards:

- No changes can be made to alter the residential character or appearance of the dwelling unit or property in any manner which precludes its residential use.
- Activities associated with the home occupation can not be visible from the outside of the dwelling unit.
- Signs and window or outside displays are prohibited.
- The use must be conducted within the main dwelling unit, and only by persons residing within the dwelling unit. No more than one person not residing on the premises may be employed to work on the premises as part of all of the home occupations carried on in the dwelling unit.
- Parking provided for the building must continue to be maintained.
- Visitors parked cars can not displace or impede the use of required parking spaces.
- The home occupation can not generate greater vehicular or pedestrian traffic than is normal

for the district in which the home occupation is located.

- The use causes no public nuisance or disruption to the residential character of the neighborhood.
- No more than one client visit or one client vehicle per hour is permitted, and only from 8:00 a.m. to 8:00 p.m. for all of the home occupations carried on in the dwelling unit.
- The home occupation can not involve the use of commercial vehicles for delivery of materials to or from the premises other than a vehicle not to exceed one ton capacity, owned by the operator of the home occupation. No parking or storing of commercial vehicles, as defined in the California Vehicle Code, construction equipment or any other mobile paraphernalia used in connection with such use is permitted on the site or on public streets in connection with the home occupation.
- No equipment, trailers or trucks in excess of one ton or wheeled construction equipment can be stored on property zoned for residential purposes.
- Deliveries and pickups are limited to two per day for all of the home occupations carried on in the dwelling, and only by services that normally make deliveries to or pickups from households in residential areas.
- No material or mechanized equipment can be used that is not for normal residential use.
- Incidental storage related to the home occupations can not be located in any open areas, covered patios or carports. An attached or detached garage, provided the required covered parking spaces are maintained, or a detached, fully enclosed accessory building may be used for incidental storage, but can not exceed 400 square feet.
- Any advertising for the home occupation may not contain the dwelling unit address.
- No excessive noise, light, dust, fumes, vibration or electrical interference is permitted beyond normal residential use.
- No **“extremely hazardous substances,”** as listed in the Code of Federal Regulations (Title 40, Sec 355) can be used, sold or stored on the site; and no

“hazardous materials,” as listed in the California Health & Safety Code (Title 22, Article 9) can be used except those associated with normal household use.

- No space or equipment used in the home occupation can be rented out to other parties not residing on the premises.
- Any **“industrial homework”** performed for an employer must conform to the provisions of Sections 2650 et. seq. of the California Labor Code.
- No sales or exchange of products, processing, display, manufacturing or servicing of any product is permitted on the premises, except for handicrafts, or intellectual or artistic products, or direct sales where the orders have been previously made by telephone or at a prior meeting or a sales party. Nothing in this section shall be construed as to permit other retail or wholesale sales in residential zones.
- A person wishing to conduct a home occupation must obtain a City business license from the Office of Finance, if a license is required to perform the occupation.

'Act of graffiti' means an act which causes any form of unauthorized inscription, word, figure or design to be marked, etched, scratched, drawn, sprayed, painted or otherwise affixed on any structural component of any building, structure or other facility or upon any other property, regardless of its content or nature and regardless of the nature of

LIABILITY FOR ACTS OF GRAFFITI - DEPT OF PUBLIC WORKS (DPW)

the material of the structural component or property.

Any person who commits an act of graffiti visible from a public street, alley or way, or public freeway, shall be liable in a civil action brought by the City Attorney in an amount not exceeding \$1,000.00 or 6 months in jail, or both.

Consideration will be given

to the following factors in determining the penalty: A) Costs to the City to cleanup graffiti caused by such person; B) Special costs to the City in the form of the payment of any reward in connection with any criminal action against such person; C) In addition to A and/or B, the degree of offense to the public as determined by the magnitude, form and visual prominence of the graffiti; the history of previous violations by the person committing graffiti.

The DPW Office of Community Beautification (OCB) operates a graffiti hotline (311) for residents to report graffiti. Work orders are referred to community-based graffiti removal programs contracted through OCB.

When calling to report: include the street, cross street, surface and color of graffiti. Graffiti should be removed within 4 business days.

Graffiti & Illegal Dumping Apprehension Award

The City of LA offers a \$1000 reward for information resulting in the identification, apprehension and conviction of persons committing the act of graffiti vandalism or illegal dumping. **Call 311** to report someone in the act. **All calls are confidential.** Download reward form at: www.lacity.org/BOSS/StreetUseInspection/graffitiapp
